

# Benefit payments made easy

You have a lot on your plate. And when you or a family member is healing from an accident or critical illness, or hospital event filing a claim is likely the last thing on your mind.

Here's something you can do to get ahead of that. Sign up for proactive claims notifications

Eliminates  
guesswork

Direct  
notifications

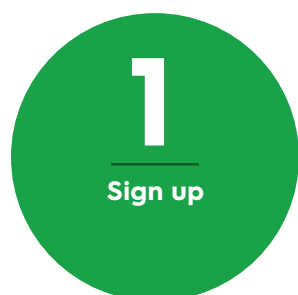

Easy  
process

Proactive claims notifications take the guesswork out of knowing when and how to file an accident, critical illness and/or hospital indemnity insurance claim.

After you sign up, you get a text or email every time a medical event qualifies for a claim. The notification then walks you through the claims process quickly so you can focus on what matters most.

It's easy, and you'll be glad you did if there's a bump in the road.

## How it works:

Once you log in, you'll be sent to Reclaim, Securian Financial's HIPAA-compliant partner that makes claims notifications possible. You'll opt in with your communications preferences and you're all set!

## Sign up for proactive claims notifications

- Go to [LifeBenefits.com](https://LifeBenefits.com)
- Once you log in, on the right side of the welcome screen there will be an "Enroll in Reclaim" section. Click the sign up and review button.
